Saturday, August 4

12:30 P.M. – Fictional Kings

"A new project hailing from Northwest BC. The band brings a fresh take on the music we love. From a wall of sound to a quiet emotion, Fictional Kings will take you somewhere. Join them on their quest to bring new music to the North."

1:10 P.M. – Relative Humidity

Father and son Percy and Warren Gavronsky bring the heat to their first band together with friends Glen Grieve and Steve Little. A collection of classics to make you sweat and shake with relative humidity.

1:50 P.M. – Dale Simpson

After last year's strong performance at Concerts In The Park, Dale's soothing vocals and harmonious 6 string skills have warranted him a much appreciated return to the stage. Dale heralds from the Bulkley Valley area and is excited to return to Terrace to perform.

2:30 P.M. – Segue

Segue consists of Ed and Christine, a duo weaned on music from the 1950's, 60's, 70's, and into the next century. Segue covers a rich blend of Country, Country Rock, Blues, Classic Rock, Prog Rock, and Pop. A seamless blend of sounds that will have your heads bobbin' and toes tapping.

3:10 P.M. – The Dearly Departed

The Dearly Departed is a Down to earth group of music loving Northwest locals. Featuring a handful of originals as well as covers from multiple decades, this group offers something for everyone. Though the band formed in just the last few years, each member has brought with them years of experience and abilities which lends itself to their unique sound."

3:50 P.M. – Electric Hot Flash

The Electric Hotflash consists of Karin, Mark, Jim, and Mitch; local musicians who have played the North West since the '70's. They came together in 2017 to do a tribute concert to the 1960's and have since broadened their repertoire to include music from the '50's to today.

4:30 P.M. – Speed Control

Straight out of -40 degrees in Canada's Yukon, Graeme Peters, brother Jody Peters, and Ian March formed the power trio Speed Control. The three members all come from a jazz and classical background but have turned to their true passion – rock n' roll.

5:10 P.M. – The Racket

Considered Veterans in the Kispiox Valley Music Festival, this trio of young hearted, handsome, best-friends have a passion for creating heavy n' steady, smooth n' groovy, tight n' funky, pretty n' tasty, original music for the masses to enjoy.

5:50 P.M. – The Rats

Despite their modest small town upbringings, their performance and song execution are far from amateur. Tightness complimented with strong drums, killer bass, amazing guitars, and powerful vocals make The Rats a stand out band, easily holding their own with the elite. Hard, energetic, sing along shows is the frontline of the bands arsenal as they continue to conquer stages with their ambitious and appealing brand of rock n roll.

PLATINUM BLONDE

7:00 P.M. – Platinum Blonde

It's like they never went away! The Toronto band that was at the forefront of the New Wave of the early 1980s, whose top hits are classics of Canadian rock music and instantly recalled for the glam look seen in the ground-breaking format of the music video, is still producing fresh material and performing live at the best venues across the country. 5 times Juno nominated and selling multi-platinum records, can there be a better headliner for Concerts in the Park 2018?! "Crying over You" and "Doesn't Really Matter" are just 2 of the hits of an impressive repertoire that is coming to Terrace. It's live, it's outdoors, and thanks to sponsorship, it's free of charge. Platinum Blonde will take the stage at George Little Park around 7:00 pm, Saturday evening, August 4. The Platinum Blonde trio are Mark Holmes (vocals, guitar), Sergio Galli (guitar) and Dan Todd (drums).
