Terrace Riverboat Days 2026

George Little Park
Saturday, August 1st, 2026

Rules, Regulations and Information

Days of operation in George Little Park will be Saturday, August 1st. Vendors wishing to set up prior to August 1st must have approval. Security is not planned for extraordinary setup.

Set-up begins prior to 9:00 a.m., Saturday, August 1st and must be completed by 11:00 a.m. Early set-up (on Friday, July 31st) is recommended and permitted by request.

Each vendor is responsible for their own booths, signage, equipment, power, garbage, etc.

Each vendor booth should be staffed at all times.

Each Food Vendor MUST display Northern Health Authority permit at all times during operation hours.

Each Food Vendor shall provide one industrial or two residential sized garbage cans (lined).

Each Food Vendor shall provide one industrial sized container clearly marked for recyclables (lined).

Each Food Vendor must ensure that their serving and eating area is clean and tidy at all times.

All vendors who require generators for power must be using a newer inverter generator that minimizes noise and smell for the general public.

Tents and similar shelters must be secured to the ground to resist wind. As George Little Park has underground plumbing, the preferred method is corner weights rather than spikes.

Recyclables - all vendors are encouraged to be Eco Friendly with their products; for example, compostable takeaway products, no plastic bags, no styrofoam, recyclable beverage cans & bottles, etc. Riverboat Days Society is looking to the future to be a 100% Eco Friendly festival.

Liability insurance coverage is mandatory for all vendors in George Little Park. You must have proof of liability insurance (\$2 million) and make the City of Terrace and Riverboat Days Society additionally insured. Please contact your insurance agent and ask “to have Terrace Riverboat Days Society and the City of Terrace additionally insured” on your policy for the date(s) of set-up.

Each vendor will be provided a sales area of approximately 150 square feet (15’ of frontage x 10’ deep). Additional area may be rented for an extra fee. Please indicate additional space requirements on the Registration Form and adjust fee according to the fee schedule.

Park layout will be decided by the Riverboat Days Committee. If you have a preferred area please provide your request for consideration in the information section of the registration form. Riverboat Days Committee will attempt to separate vendors of similar products, goods and services.

No security, day or night, is implied, guaranteed or promised. Please govern yourself accordingly.
